

Information for FS – January 2023

Dear Families,

Welcome back to the Spring term. We are looking forward to exploring our topic of "A journey through time and space" this term, where we will be looking at transport, homes, space and traditional tales from different parts of the world.

Just a few reminders:

Book bags-Please ensure these come in everyday with their reading books as we read with the children on different days. Please check and empty the children's book bags daily as this is where we encourage them to put any letters or artwork.

PE- This is on Tuesdays and Wednesdays. Please ensure your child has a kit to change into at school. ie t shirt, shorts/leggings, jogging bottoms, sweatshirt, trainers.

Forest School-This will be every Thursday. Please ensure the children have clothes for wet and cold weather.

Activities to support your children's learning will be regularly uploaded onto Teams.

Please do send in any of your child's achievements at home on Evidence Me.

Any questions or queries please speak to a member of the Foundation Team.

Happy New Year!

The Foundation team
