

Information for Younger Team Jan 2023

Dear Families,

Welcome back to the spring term. We hope you all enjoyed the holidays. The children are beginning their learning on our new topic this week: 'What was it like to live in castles?' More details to follow!

A few reminders and updates for this term:

Spelling

We will continue to upload spelling lists on Teams each Friday with a quiz the following Friday. There will be new spellings from next Friday 13th January.

PE

All groups will have PE on Wednesday (gym) and Friday (games and then dance later in the term)

Please can your child bring a full PE kit into school on the appropriate days (or preferably have it in all week ready). For indoor PE, the children will need a T-shirt and shorts (no jogging bottoms or leggings please) and if we go outdoor for PE and when we do games, the children will need a T-shirt, jumper/hoodie, trainers and jogging bottoms.

Forest School

Up until half term, the children will **not** be having a weekly Forest School session. We will continue Forest School after half term.

Thank you for your ongoing support,

YT Staff
