

Message for YT families – Thursday 12<sup>th</sup> January 2023

Dear Families,

The children have settled well after the break and are enjoying their learning about castles and the UK.

In the coming weeks we will begin a DT project where the children will design and make a castle. For this they will each need to bring in a shoe box no later than Monday 23<sup>rd</sup> January, please. The teachers will also try to source some from local shoe shops but we will not be able to get one for everyone in the Team so please do bring one from home.

In addition to this, we will need lots of toilet roll middles again! Please save them up and bring them in before Monday 23<sup>rd</sup> January.

Thank you to the families who packed a PE kit this week. As of next week (16.01), the children will need their PE kits in school from Monday to Friday as there could be changes to the day they do PE. The kit should include a pair of shorts please, as well as t shirt and jogging bottoms or leggings and trainers. Don't forget socks if you child wears tights. Shorts are important when using the apparatus in gymnastics.

Thank you  
YT Staff
