Lessons are £200 for the 2023 Autumn term (30-minute 1-to-1 lessons; starting w/c 18th September; no lesson during half term).

Payment is required in advance on a termly basis. You will also be required to purchase books from time to time. Exams, should your child wish to take them, will be charged for separately. You will need a suitable piano/keyboard at home for practice between lessons - do drop me a line for any advice on this.
